

THE ON-LINE TRAINING PLATFORM DEDICATED TO REACTIVATE CANDIDATES

One of the objectives of Reactivate is to **support jobseekers in looking for a job** in another European country and in **preparing their mobility projects**.

L-Campus is an **on-line training Platform** designed by CLL – Centres de Langues for Reactivate candidates. It offers a catalogue with a **wide range of selection of MOOCs** (Massive Open On-line Courses) in six different languages: **German, English, Spanish, French, Italian and Dutch**.

WHAT WILL YOU FIND ON L-CAMPUS?

- A list of MOOCs selected specifically for you, according to your needs
- The opportunity to exchange with other jobseekers following a similar path
- A personal learning space where you can add any learning material you wish
- The possibility to participate in topic-specific communities, with additional learning resources and materials (for example for jobseekers moving to specific countries)
- Constant support from both the Reactivate and CLL teams

WHAT KIND OF TRAINING WILL YOU HAVE ACCESS TO?

L-Campus offers 3 typologies of MOOCs, each in the 6 available languages (DE, EN, ES, FR, IT, NL):

- General language MOOCs, to help you learn a new language, with courses from pre-A1 to C1 level. Each course presents a real life situations for jobseekers moving to a new country.
- Jobseekers language MOOCs, to help you prepare your CV, look for a job and apply to a job offer.
- Industry specific language MOOCs, to help you learn the vocabulary which will be used in your specific economic sector (Building, Customer services, Health, Tourism and catering, IT, Logistics and administration).
